

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO

WHEREAS as announced on March 15, 2019, the Ford government’s new Health and Physical Education Curriculum continues to include required teaching of gender identity theory for students too young to receive such teaching;

AND WHEREAS the Toronto, Hamilton-Wentworth, and York Region District School Boards have each released Equity lesson plans developed from intersectionality theories, including critical race theory, which segregates students into “privilege” and “oppression” hierarchies with the intent of treating them differently based on their immutable characteristics as further reinforced in Bill 67, Racial Equity in the Education System Act, 2021;

AND WHEREAS the Halton Catholic School Board held a training workshop for teachers which claimed publicly funded education is a form of covert white supremacy.

We, the undersigned, petition Premier Doug Ford, his government, and the Legislative Assembly of Ontario to:

- Stop Bill 67, Racial Equity in the Education System Act, 2021 and stop teaching intersectionality theories, including critical race theory, in our publicly funded schools which contradicts with the principle of equality before the law and with the individual rights of Ontarians pursuant to a liberal democratic society; and
- Stop teaching gender identity theory to students who are minors in our publicly funded schools; and
- Commit to a results-based education curriculum that focuses on equal opportunity, meritocracy, and educational excellence.
